

KnihovniQ Pickup Lockers

Do you want to borrow documents from the ŠAVŠ Library, but you can't make it during working hours? Do you want to pick them up over the weekend? No problem, use the new KnihovniQ pickup lockers. How does it work?

KnihovniQ – Procedure for Lockers in Mladá Boleslav

Find the required publications in the ŠAVŠ Library online catalog.

If available copies are present, note down their **accession numbers**.

Send your request to knihovna@savs.cz, include the accession numbers. Please send the request from your **school e-mail**.

Please send your requests **on a working day by 2:00 PM**.

Books will be ready **in the locker from 4:00 PM**.

In response to your email, we will send confirmation, **locker number** and **PIN**.

PIN enter into the respective **KnihovniQ** locker and pick up your publications.

KnihovniQ is located **in the atrium** next to the seating area by the reception.

Unclaimed publications are returned to the library the following **working day** at 8:00 AM. During the week, they are available in the locker until the next morning, and for Friday orders, until Monday morning. Therefore, please order for the **weekend** on Friday, not earlier.

The service is not used for returning publications; for this purpose, the **bibliobox** is available, located directly in front of the library in the Monastery building outside library working hours.
