

ŠAVŠ announces a recruitment for a long-term internship at ŠKODA AUTO Volkswagen India Private Limited (SAVWIPL)

Place of the internship: SAVWIPL, Pune, India

Expected start of the internship: Autumn 2022

Expected length of the internship: 3 – 12 months

Eligible candidates: full-time students of ŠKODA AUTO University, who will be in their fifth or higher semester of bachelor's degree programmes or master's degree programmes students

Requirements: fluent English (B2 and higher level of CEFR)
good communication skills
responsibility
ability to work independently as well as a team member
good adaptive abilities to foreign environment
motivation and enthusiasm to gain new experience

Expected content of the internship: Work on concrete projects of the respective department.
No secretarial or assistant work.

Financial issues: The trainee will receive a scholarship from ŠKODA AUTO University and a monthly remuneration from the employer on spot in an amount that will cover the costs associated with the preparation of the trip, travel and subsistence costs.

Applications deadline: 14 April 2022

Send your structured CV together with the cover letter in which you express the areas in which you would like to complete the internship in English by email to Ms. Jitka Jiráčková.

ext.jitka.jirackova@savs.cz

The selected candidates will then be invited to the first round of interviews.

If you have any questions concerning the internship, you may contact the Vice-Rector for International Relations, Mgr. Lenka Stejskalová, MBA, on lenka.stejskalova@savs.cz or via MS Teams.
